

The Kingston Daily Freeman.

VOL. XLVIII.—No. 285.

CITY OF KINGSTON, N. Y., SATURDAY EVENING, SEPTEMBER 20, 1919.

PRICE TWO CENTS.

FALL DISPLAY WEEK WINDOWS VIEWED BY LARGE AND DELIGHTED CROWDS

Exhibit Better, in Many Respects, Than Last Spring and Assemblage Fully as Large and Appreciative—Some of the Features Noticed in the Windows Unveiled Friday evening.

About eighty-five per cent of the business windows of Kingston were masquerading behind old awnings, sheetings, pieces of gingham, etc., to greet the gathering crowds Friday evening, showing a most gratifying progress toward that concerted action so much to be desired in this city. As a whole the displays were much more artistic and effective than in the spring, due in some measure to our merchants having learned to subordinate decorations to being merely a background for the main exhibits.

While the crowd standing before the windows when the fire alarm rang were not as dense as last year, there seemed to be more people passing a given point throughout the evening, especially in the uptown section than there were for Dress-Up Week. In fact there was so much to see that one had to keep moving right along to take it all in.

In spite of the throng on the streets, there were a great many Kingstonians who were not able for one reason or another to get out to see the show, and for their benefit the following brief description of the window displays is given:

Rose-Gorman-Rose—Rich and elegant display of fabrics, velours, tulle-embroidered nobs fancy rollers, etc., in deep red, rich browns and greens. Another window handsome suits, coats, furs, women's boots and accessories. Floral trimmings autumn leaves and chrysanthemums. Draped fabrics especially fine.

Herbert Carl—Golden rod and aster decorations, beautiful velvet and fabric hats, tuxedos and trimmed for women and children.

Ostrander and Wooler—Fine showing men's clothing and accessories with artistic "Society Brand" poster.

New York Cloak and Suit Company—Potted ferns, with stylish suits and coats in one window and gowns and blouses in the other.

S. B. Thine—Display window, elegant high boots for women and winter hosiery.

Sam Bernstein—Fine showing men's suits, hats, etc., travelling bags.

Kreege Ten Cent Store—Display window, large doll house, electrically lighted, fully furnished; and toys. Window of candles.

S. Cohen's Sons—Moose head, mounted tiger head, panel of wild fowl and bear rugs as decorations. Revolving center piece showing all the clothing needs of men. Other window, suit of armor, men's single coats shown in bright velvet frames, suits, etc., etc.

Charles McBride—Toilet articles and proprietary medicines.

Woolworth Ten Cent Store—Display window of "Woolen Cotton" crocheting cotton in a very conceivable shade, with handsome sample pieces of the crocheted work.

Wonderly Company, Inc.—One window in yellow and black. Golden Rod decorations; black net and velvet gowns, black chiffon blouse and accessories; purple draped window with fabrics and bust showing silver lace trimmings.

A. Molloy—Basket of real autumn flowers, fine showing of haberdashery, artistically grouped and lighted.

L. B. Van Wagenen Company—Handsome room showing artistic autumn-themed cretonne draperies and upholstery; lighted reading lamp on brook filled table; figures of fur-coated woman, another, crepe de chine frocked, both wearing hats; tiny lady with overcoat; miniature window showing grape vine panel baby in bandage; showing hat; it has displaced; elegant hats for women and children, rich cloth of gold and cloth of silver brocade ribbons. Life-like figure of a woman and a man standing just inside door, by chair, holding cut and gloves.

Tony—Candy—Most appetizing display of candies—Most in the store, and shown in large heart and diamond shaped trays. Also fancy boxes of candy.

Foran and Davis—Columbia Grafonola display, with exceedingly artistic posters of musical celebrities to be heard by means of the Grafonola. Elaborate showing of stationery, books, pictures, etc.

Up-to-Date—Painted scenic backgrounds; ferns and autumn leaves decorated window showing elegant fur coats and furs; gladioli decorated window of handsome embroidered gowns; fall flowers decorating window of suits and coats.

C. S. Wood—Wonderful decorations of masses of asters, dianthus, marigolds and cosmos, all from Mr. Wood's own garden. Window display of men's hats and caps; another of women's and girls' shoes; a third of men's and boys' footwear.

Modern Lunch—One noticed with watermelon a platter of fried oysters; platter of ham and eggs; cheese, potato salad and green and red peppers. The other window contained fruit and cake.

Autumn leaves and chrysanthemums decorated the Peoples Store with its handsome showing of women's gowns, suits, blouses, coats and furs and hats.

Levantine Brothers, assist a block of autumnal leaves, a black

ed real minke and other small fur-bearing animals as well as elegant fur coats, and furs.

Russell Auto Shop, automobile fixtures.

Mohican Store, window display of delicious cakes with centerpiece of huge pyramidally terraced cake elaborately decorated with white and pink icing. Other window against background of cornstalks and green decorations, artistic dish of fruit and most appetizing display of meat.

W. H. Rider, against a striking background of yellow and black, with floral decorations of marigolds, newest vases, showing poster covers; other window, Ivers & Pond piano.

Nelson Beef Company, display of rolled beef roasts and hams.

E. S. Craft & Son, appetizing and most attractive display of bottled and canned delicacies.

William Derrick, green background to windows, white asters; one window display ivory mounted toilet articles, the other white covered boxes Hurley candies.

C. H. Safford, floral decorations, quill dahlias; large clusters, single flowers in cut glass tall stem vases. One display of wrist watches and jewelry; the other brilliant cut glass, one dish bearing a card reading: "In this Nappy is a \$125 diamond. Find it if you can!"

CITY EMPLOYEES WANT MORE PAY

Ask for Increase of 30 Cents a Day—Referred to Finance Committee—Street Repairs and Other Matters Before Board of Public Works.

A committee of three of the employees at the city crushing plant in Wilbur, appeared before the board of public works at the regular monthly meeting Friday afternoon, asking that the employees at the plant be granted an increase in wages of 50 cents a day. The wage scale at the plant at the present time is from \$3 to \$4 a day, according to the nature of the work.

The committee stated that the high cost of living made it necessary for the men to ask for the increase. The men were in a position to obtain work elsewhere at higher pay, and for that reason were anxious to know as soon as possible whether their request would be met by the board.

Mayor Canfield stated that it was a question of whether the board had enough money to pay the increase. The budget of the board had been made up the first of the year with the appropriation for wages figured at the present scale. However the matter would be referred to the finance committee of the board, and they would take action in the matter as quickly as possible.

This was satisfactory to the employees' committee.

The petitions for an increase of 50 cents a day from the street department and the employees of the city engineer's office were also referred to the finance committee.

Want Street Made Passable.

Property owners on Lincoln and Farrelly streets, filed a petition with the board asking that Farrelly street, near its junction with Lincoln street, be made passable. Under present conditions it was impossible to travel by horse or auto to any property on Lincoln street, and no delivery of coal or supplies will be made by dealers.

Property owners of Flatbush avenue and Gage street near Farrelly street joined in the request that Lincoln street be made passable.

Another petition joining in the request was signed by about fifteen merchants of the city.

To Estimate Cost.

At the junction of Farrelly and Lincoln streets there is a very steep grade according to City Engineer Codwise. The board decided to have the street resurfaced with a concrete pavement, and to have the improvement made together with an estimate of the probable cost and report at the next meeting.

Street Rippers Careless.

The manner in which some of the improved streets had been torn up by local firms came in for discussion, and it was decided that hereafter any one desiring a permit to tear up an improved street must appear before the board before the permit would be granted.

Auto Club Writes.

A communication from the Automobile Club of Ulster County was read in which it was stated that a number of complaints were made to the club instead of to the board of public works. The first complaint was that the streets after being torn up for sewer, gas or water, are not replaced in as good condition as when taken up. That there exists a dangerous condition on Henry street where the Williams and Macadam join. Numerous complaints were also received by the club of the dangerous condition of Abel street where the railroad tracks leading to the gravel pits cross the road.

To Notify Owners.

The complaint regarding the street rippers led the board to adopt the resolution stating regarding the issuance of permits. The condition of Henry street was referred to the street superintendent with power, and in regard to the railroad tracks the owners will be notified to raise the tracks to grade where they cross Abel street.

The Higginson Cup.

Admiral Higginson wrote stating that he was sending the "Perpetual Challenge Cup" to be given to the ball team from Forsyth Park or McVey's Field winning the greatest number of ball games during the season. Competing teams must be made up of boys under 15 years of age.

The cup was accepted with thanks by the board, and a vote of thanks and appreciation was extended Admiral Higginson for his interest in the playgrounds.

The Board Thanks.

Miss Mary H. Baker of West Chester street, wrote thanking the board in behalf of Wiltzwick Chapter, B. A. R., for its assistance during the recent successful block party.

Managers Street Sewer.

City Engineer Codwise reported as an ordinance for the construction of a sewer in Henratty street, which was adopted by the board.

The property owners on that street had petitioned the board to have the sewer built.

Removal Street Rock.

The city engineer also reported that the encroachment of rock on Emerson street near the Harding property would require the removal of about 30 yards of rock and dirt to bring the street to grade at that point. The street superintendent was given power to have the work done.

Other Matters.

The application of the Western Union to install an electric light sign in front of the John street of

WILSON SEEKS TO AVERT STRIKE

Still Endeavoring to Bring About a Conference Between Chairman Gary and the Union Leaders.

By Telegram to The Freeman. Washington, Sept. 20.—Samuel Gompers, president of the American Federation of Labor, has informed the steel workers, it was learned today, that President Wilson, acting through emissaries, was still bending every effort to postpone the steel strike scheduled for Monday, and arrange a conference with Chairman Gary of the steel corporation and representatives of the strikers.

Bernard M. Baruch, who is reported to have been sent by the president to request Judge Gary to meet the workers, acted as Mr. Wilson's emissary to the employers in the iron dispute between the copper companies and miners at Bisbee, Ariz. and Butte, Mont., two years ago, it was recalled today.

Although John H. Fitzpatrick, chairman of the steel workers' national committee, has stated that the strikers would have the full support of the American Federation of Labor Mr. Gompers said today he was not yet ready to discuss the situation. The strike leaders are expecting a statement from him tomorrow or Monday, pledging the full financial and moral strength of the Federation to the strike. They characterized as "ridiculous" the rumor that he was likely to withhold his support, being frankly displeased at the workers' refusal to heed his and President Wilson's requests that all strike action be deferred until after the president's conference on October 5.

The strike was legally called, the strike leaders pointed out, and whatever Mr. Gompers' personal feelings may be, they declared officially he can do only one thing, come out unequivocally for the strikers.

"Failure of the American Federation of Labor and its leaders to back the strikers would mean the repudiation of twenty-four of the most powerful organizations affiliated with it," said John H. Fitzpatrick, before leaving for Chicago. "The attitude of the American Federation of Labor during the strike will be a test of its effectiveness in the eyes of the strikers. The great majority who will walk out next Monday were unorganized one or two months ago. They were promised that the A. F. of L. would stand back of them in a fight to secure all the things organized labor stands for. If the A. F. of L. does not make good in this promise it will lose all influence with the great body of newcomers within its ranks, and organized labor will be judged a failure by the unorganized."

William H. Johnston, president of the International Machinists' Union and a former member of the war labor, was one of several international union presidents whose organizations will be involved in the strike, who stood until the last for postponement in compliance with the president's request.

"All of us," said Johnston, "are one in the desire to fight to the finish now. I was for the strike as were the other presidents who advised deferment but I felt with President Gompers that it was unwise to strike at this time. The support of public opinion is needed in a big strike and I feared the public would condemn the workers for not listening to the president."

The executive council of the Federation will probably be called in session early next week, either in Washington or Pittsburgh, to confer with the presidents of the twenty-four unions involved in the strike. The financial phase of the strike will be fully discussed at this meeting.

It was stated today that many of the workers whose wages during the war had enabled them to save had set aside a part of their earnings to tide them over in event of a strike. The report that workers were dissatisfied because strike benefits would not be paid, was characterized by Fitzpatrick as "steel trust propaganda."

"Before the workers voted on strike action," he said, "they knew that strike benefits might be discontinued and union funds pooled to distribute relief among the needy so that workers who had not been union members long enough to receive strike funds might be protected."

Races At Sheepshead Bay.

By Telegram to The Freeman. New York, Sept. 20.—Twenty of the best automobile racing drivers in the world will meet at the Sheepshead Bay speedway this afternoon in the 150 mile derby and a special 1 mile match race. The winner will claim the American speed championship for 1919. Among the entrants are De Palma, Milton, Mullford, Howard, Vail, Boyer, Lewis and Gaston Chevrolet, Lewis, Hill, O'Donnell, Thomas and Kiehn.

Joe was granted under the usual conditions.

Revolutions adopted by the common council and referred to the board were read, and necessary action taken.

On Wall street in front of the Woolworth store and St. John's Church are two large blocks, which the board decided were dangerous to pedestrians who stumbled over them when the walks were crowded, especially on a Saturday night, and the owners will be directed to remove the blocks.

Several routine matters were also taken up and discussed before the board adjourned.

450 LIVES LOST IN SEA DISASTER

By Telegram to The Freeman. Key West, Fla., Sept. 20.—A wrecking crew today is at the scene of the reported wreck of the Valbanera, investigating the report brought to Key West late yesterday that she had sunk with four hundred and fifty souls aboard. The naval station here is using every facility possible to ascertain whether the crew of 150 and the 300 passengers have been lost or escaped death.

Report of the disaster was brought here by J. L. Roberts, chief officer of the United States sub-chaser 203, who declared he discovered a vessel sunk in forty feet of water about 35 miles off the key, and further investigation disclosed that she was the Valbanera. The vessel was deeply imbedded in quicksand and no sign of the bodies of any victims could be seen. A coast guard vessel arrived shortly afterward and reported finding the vessel.

"The Valbanera has not been heard of since the tropical hurricane which swept this section last Sunday and it is believed she was caught in the gale and sent to the bottom."

She was bound from Spain to New Orleans and was due to reach Havana, where most of her passengers were to disembark but was unable to enter the harbor on account of the high seas. She was 3,219 tons displacement.

AUTO THIEVES ARE RECAPTURED

McDonald and Schoonmaker, Who Stole Gottell Car in Kingston, Caught Again in Ely, Nevada.

Frank Robert McDonald and Lewis Schoonmaker, who stole the automobile of George Gottell from Jacob Bernstein's garage on Greenkill avenue, several weeks ago, and sold it in Buffalo, then stole a new Chandler touring car, which they sold in Salt Lake City, Utah, jumped to Ely, Nevada, where they were arrested, started habeas corpus proceedings in order that they could not be taken from Nevada, and then made a get-away before the habeas corpus case came up, and again under arrest. District Attorney Traver this morning received a telegram from District Attorney Edwards at Ely, Nev., informing him of the arrest of the two auto thieves.

He states that they stole another automobile in which they made their get-away, and have been arrested. The telegram states that McDonald will be kept at Ely and placed on trial for grand larceny, but that there is not enough evidence to convict Schoonmaker of the larceny, and ask if District Attorney Traver wants him. As Schoonmaker went away with McDonald in the stolen Gottell touring car and knows all about the stealing, he will no doubt be brought back to Ulster county for trial.

DODGE CAR STOLEN AT SAUGERTIES

A 1915 Dodge Sedan automobile was stolen Friday night, September 19, from E. Clark Reed of Saugerties. The car was painted dark blue with yellow wire wheels and the left front fender had been dented. The motor number was 2653899, and the car bore license number 654351. Mr. Reed offers a reward of \$50 for the recovery of the car. The Automobile Club of Ulster county offers a reward of \$100 for the arrest and conviction of the car thieves. This offer being made for the recovery of any car stolen from a member of the club and the New York State Automobile Association also pays a reward of \$25 for the recovery of the car.

Potatoes Crop Below Last Year.

By Telegram to The Freeman. Washington, D. C., Sept. 20.—The late commercial potato crop now for the first time receives a separate report by the bureau of crop estimates, United States Department of Agriculture. For the date of September 1, the condition of this crop indicates a yield of 123,518 carloads, or considerably below the estimate for the same month last year, 145,048 carloads. Late potatoes raised for local supply and all other late potatoes not entering distribution by carloads are not included in these estimates. One carload equals 760 bushels. In nearly every state the production of the late commercial crop of potatoes falls below that of last year. Pennsylvania is a prominent exception, with a gain of 1,029 carloads over last year, and yet that state produces, this year, less than 6 per cent of the total of all states. Maine has a prospect of 24,444 carloads; Minnesota, 24,000; Wisconsin, 20,900; Michigan, 10,275; Colorado, 14,020; New York, 3,370; Pennsylvania, 6,880; and Idaho, 6,440 carloads.

Medford's Work in Songeries.

Medford's orchestra of this city will be the feature at the dances to be given in Leach's Hall, Saugerties, every Tuesday evening, commencing September 23. Although a comparatively new orchestra in the music world, this group of players have proven themselves experts. Their aim is to please everybody and they do. Remember, the dances are to be given Tuesday evenings.

BOSTON STREET CAR MEN MEET

To Vote on Question of Striking in Sympathy With the Police—General Strike Vote Not Yet Fully Counted.

By Telegram to The Freeman. Boston, Sept. 20.—A second meeting of the "committee of 17" of the Boston Central Labor Union to tabulate votes cast by various unions in the city on the question of a general strike and an unexpected call for a special meeting of the street car men's union to vote on the proposition of a sympathetic walkout were the centers of interest in the policemen's strike today.

The first meeting of the "committee of 17" lasted until early this morning and was adjourned until later in the day. No results of the voting of the various unions were given out. Tabulation will be made for the general walkout provided one is voted. The committee will report to the Central Labor Union on Sunday.

The call for the car men's meeting was as sudden as it was unexpected. The fact that in sending out the call for a special meeting tonight the officers of the car men's union, who have just returned from the biennial convention in Chicago, included an invitation for the Boston policemen to attend the meeting, was taken as indication that action favorable to the Policemen's Union will be taken.

The Boston Social Club, the patrolmen's organization, voted to give \$4,000 to the new "Policemen's Union. The Telephone Operators' Union voted \$1,000 to the striking policemen, and to take up collections at the various exchanges today. Typographical Union No. 13 will give the strike fund \$200 a week and more if needed. The Carpenters' and Joiners' Union also voted the policemen financial support.

The twelfth day of the strike found the city quiet and business proceeding as usual. The state guardsmen and volunteer police patrol were being taken as a matter of course by the community.

FIRST TROUBLE IN STEEL STRIKE

By Telegram to The Freeman. Pittsburgh, Sept. 20.—The first trouble of the strike call occurred late yesterday when workmen clashed in the riverside plant of the National Tube Company at Benwood, West Virginia. There was a free for all fight between the men who favor striking and those opposed, when a roll of the sentiment was being taken. It could not be learned whether any of the fighters were hurt.

Jack Peters, chairman of the organizing committee in the Wheeling district, placed the whole blame for the trouble on the operators and declared that trouble was certain Monday if any attempt was made to operate the plants. "There was a certain element among the strikers who will take matters into their own hands if forced to by the operators," Peters stated.

About five thousand men are employed at the Benwood plant and it is stated that less than half favor a strike. It was said, however, that all of the men will quit on Monday if any of them go out. The company will try to operate the mills.

A mass meeting was called for all of the miners of the Wheeling district for tomorrow afternoon. Frank Wilson, secretary of the strike committee of the Steubenville district, stated that between 10,000 and 12,000 men will be affected by the strike order. The strike leaders do not believe that any attempt will be made to operate the mills of that district. City and county officials met this morning to consider the matter of securing in the deputies and extra police.

It was reported today that between 6,000 and 7,000 of the men employed at the Duquesne plant of the Steel Corporation were pledged not to strike. At the great armor plate mills at Homestead, it was stated that 80 per cent of the employees would respond for work Monday.

D'ANNUNZIO DEFIES ITALY

By Telegram to The Freeman. Genoa, Sept. 20.—Captain Gabriele D'Annunzio, the soldier poet who has occupied Fiume with heavy armed Italian forces, declared in an interview to the Fiume correspondent of the Rome newspaper Corriere d'Italia that the Italian warships in the Fiume harbor have gone over to his leadership, according to advices received here today.

Claiming that he has enough troops to dominate the situation at Fiume, D'Annunzio is threatening to "fight to the death" if any attempt is made to drive him out.

One Tree Cuts \$800.

An application of the Fall Pines Lumber Co. from the fruit farm of James H. H. of Chittenden has yielded 25,000 barrels of apples, and after all expenses were paid, cleared the owner a net profit of over \$800.

The Annual Vegetables.

The Fourth Degree Assembly, Knights of Columbus, will meet at St. Mary's Hall, Sunday evening at 7:30 o'clock to attend Military Memorial Services at St. Mary's Church.

Additional Credit to Italy.

Washington, Sept. 20.—Additional credit of \$1,148,000 was brought Italy's indebtedness to the United States up to \$1,519,223,223, and the grand total for the allies to \$2,444,419,494. It was announced at the treasury department today.

STEEL WORKERS DISCUSS STRIKE

Employers Give Workmen Opportunity to Meet and Talk Things Over Before Going on Strike.

By Telegram to The Freeman. Pittsburgh, Pa., Sept. 20.—With the nation-wide strike of organized steel workers and members of all trades connected with the steel industry set for midnight Sunday night, the employers and American Federation of Labor leaders today were making their final preparations for the great industrial struggle.

Some of the subdivisions of the United States Steel Corporation have adopted the policy of giving their employees the opportunity to hold meetings to consider their attitude toward a strike. The first meeting was held this morning when the plants of the Allegheny Steel Company and the West Pennsylvania Company suspended operations so that the six thousand workmen could talk it over.

With the closing order, President Harry Sheldon, of the Allegheny, issued a statement that the company is opposed to the "closed shop" principles of the American Federation of Labor and that "sympathetic strikes are the cause of undue hardships to the satisfied employees and their families."

The company gave assurance of support to loyal employees and their families, provided "the company was able to secure sufficient business to enable it to operate the plant."

Officials of the two plants claim that only about fifteen per cent of the employees are affiliated with the union.

Loyal employees of the National Tube Works in McKeesport went to work today wearing large buttons bearing the words "loyal: I will not strike." The buttons are white with the words "strike" and "loyal" printed in extra large letters.

Officials of the United States Steel Corporation were certain today that practically all of its works will operate as usual Monday and thereafter. It is maintained by officials of the leading interests that not more than 26 per cent of their employees will respond to the strike call.

Secretary W. Z. Foster, in charge of strike headquarters here, said this morning that exactly 2,010,000 men will be affected by the strike order. He classifies them as follows:

Blacksmiths, 40,000;	boiler-makers, 200,000;	brick and clay workers, 50,000;	bricklayers, 25,000;
bridge and structural iron workers, 10,000;	coppers, 150,000;	electrical workers, 25,000;	hod carriers, 50,000;
machinists, 50,000;	metal polishers, 40,000;	mine mill and smelter workers, 70,000;	mine workers, 30,000;
moulders, 10,000;	pattern makers, 50,000;	plumbers and steamfitters, 200,000;	quarry workers, 60,000;
railway carmen, 60,000;	seamens, 50,000;	sheet and metal workers, 50,000;	stationary firemen and fitters, 50,000;
steam and operating engineers, 50,000;	steam shovel and dredgers, 10,000;	switchmen, 20,000.	

The general strike will be directed by the following men:

Inner Pittsburgh district, comprising the immediate Pittsburgh works, J. L. Beagham; outer Pittsburgh district, comprising mills in the outlying districts of Pittsburgh: J. McCaig; Cleveland, H. Walsace; Buffalo, H. C. Thompson; Chicago, E. J. Evans; Pueblo, Colo., W. H. Young; Youngstown, J. E. McCaden; Bethlehem, David Williams.

All employees of the mines owned by the steel companies alike, also will be called out on strike, Secretary Foster said.

ULSTER BAR HOLDS OUTING

When the sun came out at about 11 o'clock this morning President D. G. Atkins and Secretary Henry Klien of the Ulster County Bar Association began to feel happy as it was an indication that the weather would clear up and the outing of the association at Indian Valley Inn, Kerhonkson, this afternoon, would be the success they anticipated. Bats and balls for the proposed baseball match had been purchased and come of the younger members of the bar association had been practicing on the quiet. If the fair weather holds out, Supreme Court Justice Herman of Albany, Judge Charles J. Beasly, County Judge Charles J. Beasly, District Attorney Traver, County Clerk Louisa, Deputy County Clerk Goldsack, Sheriff Smith, and other county officials will be present. The lawyers numbering a score left the court house at noon for the outing place in automobiles, and others will follow at intervals. Percy Moore of the Indian Valley Inn, telephoned to town at noon that the clouds and other good things were in the process of clearing and that a feast would be awaiting all who came.

Additional Credit to Italy.

Washington, Sept. 20.—Additional credit of \$1,148,000 was brought Italy's indebtedness to the United States up to \$1,519,223,223, and the grand total for the allies to \$2,444,419,494. It was announced at the treasury department today.

GIRLS!

Would You Like To Work
In Good Light
In Good Air
In Good Company
At Good Wages
For A Good House?

If you would, and can run or would like to learn to run a sewing machine, come to see us. We need Union Special Yorker, Sleeve Facers, Neckband Runners, Fellers and Examiners. An interview will convince you.

F. JACOBSON & SONS

The Sarcophagus of Children of Charles VIII in the Cathedral at Tours is a wonderful example of the monument art of the period. The sculptural work is descriptive of the lives of the King's two children.

If you are considering the purchase of a suitable memorial, we will be pleased to plan a trip with you for the purpose of exhibiting some of the monuments we have erected in this community. They are a testimonial of our knowledge of the monument business.

BYRNE BROS., Broadway and Henry Street

WANTED
100 Carpenters
For Construction Work
Detroit, Mich.

80c per hour. Working 10 hours per day: time and half over 8 hours. Double time for Sundays. Long job. Transportation advanced. Ship from Kingston, N. Y., Tuesday, Sept. 23, 1919, 5 P. M.

FREEMAN WANT ADS. BRING RESULTS

CURE FOR TINGLE
ALMOST FATAL

Muscular Barber and Vibrator
Puts His "Patient" in
Hospital.

NECK NEARLY BROKEN

Medical Man Tells Remarkable Experience of Man With Finger Tingle—Man's Neck Now in Plaster Cast.

Chicago.—They tried to cure the tingling in his little finger by breaking his neck, and they almost succeeded. Dr. Charles E. Humiston, retiring president of the Chicago Medical Society, told the story of James C. Snow, and his adventures with a vibrator and a willing barber.

Mr. Snow is an insurance solicitor and lives with his wife and two children at 1451 Glenlake avenue. He is forty-five years old and at present in St. Joseph's hospital with a plaster collar about his neck.

Trouble Starts in Finger. Snow experienced the tingling sensation in the little finger of his right hand a week ago. He tried rubbing it. He tried letting it alone. It still tingled. Some one suggested a vibrator.

The man with the vibrator also believed in adjusting the spinal column and the neck. He tried some of his best adjustments on Mr. Snow and for one instant the patient was rendered almost unconscious by pain.

He woke the next morning to find his head could not be turned. His neck was stiff as an icicle. He couldn't shave, so he went to a barber shop. The barber was a practical man in more ways than one.

Strenuous Treatment. The human neck held no mysteries for him, he admitted, and he only asked permission to twist it a bit. He was given the chance to show his skill; and Mr. Snow almost fainted.

Now enter Dr. I. S. Trostler, X-ray specialist at St. Joseph's hospital; Dr. W. F. Grover and Dr. Hugh McKenna.

"Mr. Snow came to the hospital," said Doctor Trostler, "to see what the X-rays would show. I found a bone

Mr. Snow Almost Fainted.

in his neck, technically known as the axis, had been fractured.

"I called in Doctors Grover and McKenna. They put his neck in a plaster cast and he is said to be getting along all right now. But the next time there is anything wrong with him you can bet he won't have his spine—or his neck—adjusted to suit."

CURED OF BANDIT DREAM

A Spanking of Two Springfield Boys Ended Their Ambitious Thoughts.

Springfield, Ill.—Mike Damarin and Harry Thompson, aged ten years each, are cured of all desire to be bad and held hold-up men. They came to Springfield from East St. Louis via box car for the purpose recruits.

Police became suspicious of their actions immediately on arrival and took them to the station. When searched each had cap pistols and a considerable sum of money which Damarin slyly confessed he had purloined from his mother's dresser before leaving to become "regular bandits." The boys' relatives were notified and they took the youngsters home. But before departure the elder Damarin was heard to remark something about a good spanking for Mark when they got home.

Thieves Find Phones Easy.

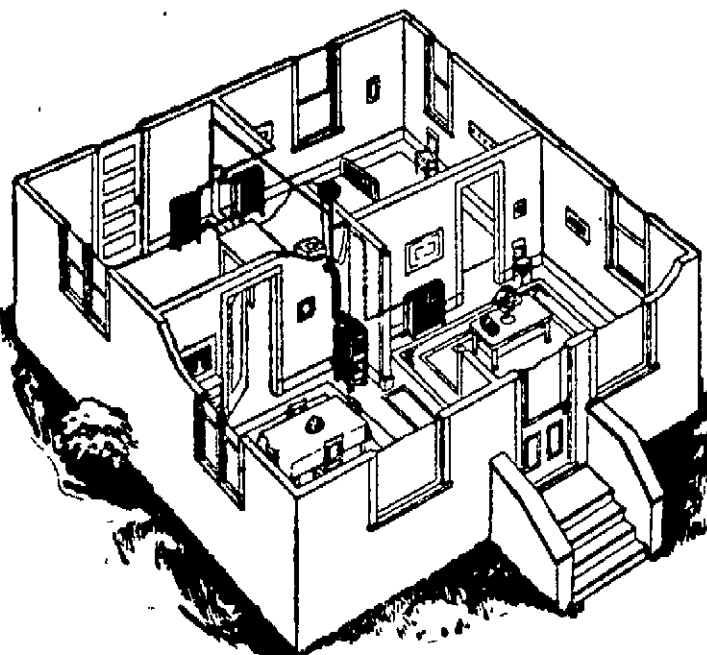

Atlanta, Ga.—The "drop-a-lick" telephones recently installed over Atlanta are proving "just what the doctor ordered" for the petty thieves in search of spending money. The hard-working burglars, who formerly depended on the "penetration" machine, now find it easy to remove the telephone apparatus from its fastenings, make it to a secluded spot and empty it at their leisure.

ALL GOOD WISHES.

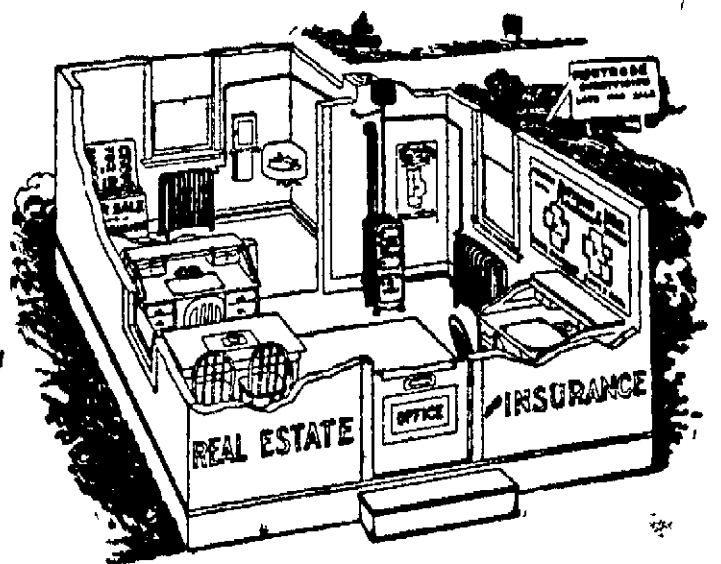

"I see that our landlord is going away for the summer."

"That's good. I hope he'll leave all his business cases behind him and forget all about raising our rent any more."

NEW WAY of Heating \$99
World's Greatest Invention

Simple way of heating a four-room cellarless cottage by IDEAL-Arcola Radiator-Boiler and three AMERICAN Radiators

Easy heating of a cellarless office building by our IDEAL-Arcola Radiator-Boiler and two AMERICAN Radiators

New IDEAL-Arcola Radiator-Boiler

Puts IDEAL Hot Water Heating comfort at low cost in cottages and stores, with or without cellars; heats each flat separately, etc.

The IDEAL-Arcola takes the place of a parlor stove. But a stove wastes much of its heat up the chimney, whereas the IDEAL-Arcola conveys its heat by hot water circulation through pipe-connected AMERICAN Radiators stationed in the adjoining rooms. Every bit of the big volume of heat developed from each pound of fuel is therefore made useful in keeping ALL the rooms uniformly, healthfully warm. There is no coal-waste. The IDEAL-Arcola does not rust out or wear out—will outlast the building—is a genuine, permanent investment!

Shipped complete ready for immediate operation

The beauty of the IDEAL-Arcola method is that no cellar is needed. Everything is on one floor. The Arcola is placed in any room that has a chimney connection. No running to cellar. If there are two or more tenants in the building, each can have his own Arcola and make the temperature to suit his own needs—can make his own climate! If you do not wish at first to heat the entire building, buy a small size IDEAL-Arcola and later on buy extra sections for the IDEAL-Arcola and two or three more radiators to warm other rooms.

Cleanly heating—healthful heating—free from fire-risk

Unlike stoves, there are no coal-gas leaks into the living-rooms. The IDEAL-Arcola delivers soft, radiant warmth—not the dry, burnt-out atmosphere of stove heating. There is no fire-risk to building—no danger to children—burns hard or soft coal or coke—fire lasts for hours! The Arcola changes a house into a cozy home! Buy it NOW, at today's attractive figure.

Catalog showing open views of houses, individual flats, stores, offices, etc., with the IDEAL-Arcola Boiler in position will be mailed (free). Write today

Sold by all dealers

KINGSTON, N. Y., SEPT. 20, 1919.

Attorney General Palmer promises reduced cost of living in three months. He promised some convictions of bomb plotters, but we can't recollect any fulfillments of the promise.

The proposal that England pay part of her debt to us by giving us Bermuda and the Bahamas will not find favor with those thrifty souls who have been confidently counting on near and "wet" islands in which to spend delectable vacations.

Like our unfortunate president, the Prince of Wales feels that he must shake every proffered hand lest he be thought "undemocratic." In consequence the Canadians have squeezed his right hand into a state of inflammation and he is now compelled to shake with his left.

According to Lord Curzon, the magnificent Peacock Throne of Shah Jehan of Delhi, which the Turks claim to have captured four centuries ago, was actually destroyed two hundred years ago, and the golden throne which Turkey now advertises for sale is not the real thing, a mere "gold brick" for the gullible, in other words.

The Boston policemen who stood by their jobs when the great majority of their fellows struck doubtless agreed with the president that for the guardians of the law to leave a city "at the mercy of thugs is a crime against civilization." All classes of citizens should be able to secure redress of just grievances, but there are some strikes so intolerable as to involve shameful desertion of imperative duty. Among such are to be included strikes of policemen as well as of government officials, physicians, nurses and other public servants who can not resign in a body without incalculable injury to the public.

NO PEACE THROUGH FORCE.

The Carnegie Endowment for International Peace is one of the greatest influences for peace in this country. Efficiently organized and permanently sustained through the enlightened beneficence of Mr. Carnegie. In 1910 he set aside the sum of \$10,000,000 for its establishment, to be administered by a board of trustees "from century to century without end." As described by the donor, the purposes of the Endowment are "to hasten the abolition of international war, the foulest blot upon our civilization."

"Lines of future action," commented Mr. Carnegie, "can not be wisely laid down. Many men have to be tried, and having full confidence in my trustees I leave to them the widest discretion as to the measures and policy they shall from time to time adopt, only premising that the one end they shall keep unceasingly in view until it is attained, is the speedy abolition of international war between so-called civilized nations."

In the exercise of the unlimited discretion with which the trustees of the Carnegie Endowment are clothed, they have adopted the theory that peace can never come by force, but rather must be attained through the education of the people to the folly of war. To that end they have caused to be printed numerous works on war and its evil effects, and have arranged many lectures by prominent men from this country and abroad on the subject. Equally in conformity with that principle the Endowment has studiously refrained from contributing money to associations that advocate the realization of peace through the application of force. The League to Enforce Peace, headed by Mr. Taft, has never received aid from the fund.

Not only has assistance been refused to those who would bring about peace through war, but the most prominent trustees of the Endowment are among the prominent critics of the league of nations as being essentially an instrument to compel peace. The president, Ellin Root, is unalterably opposed to the league as it now stands, and has proposed several radical amendments to it. Dr. David Jayne Hill, perhaps the most eminent authority on international law and European politics in the country, has expressed himself in a series of articles and addresses in condemnation of the covenant's provisions. Nicholas Murray Butler of Columbia University and Charles

Magno Tower are also outspoken critics.

If these great men who help shape the policies of the Carnegie Endowment for International Peace condemn the league of nations as an instrument for the prevention of war what distrust must arise in the minds of the people at large? These experts have given profound study to the best means for bringing permanent peace to the world, and have become convinced that a peace of compulsion can never endure. That any peace that may come from the operation of the league of nations will be of that sort must be admitted by every student of the covenant.

SUNDAY SERVICES IN THE CHURCHES.

Holy Spirit Church, Rev. J. E. Bold, rector.—Holy Communion and sermon, 10:45. Sunday school, 12; evening service, 7:30.

Bethany Chapel, Rev. O. A. Merchant, minister.—Sunday school at 2:30 p. m. Evening service at 7:30. Sermon by the pastor. Prayer meeting Friday evening at 7:30.

Music: Anthem, "Now the Day is Over." Shelley.

Clinton Avenue Methodist Episcopal Church.—Morning worship at 10:30; sermon topic, "Parents and the Sunday School," a rally day preparation sermon. Parents especially

Nothing too Good for the Baby

For the baby, the best is the best. A baby's health is the most important thing in the world. It is the foundation of a happy life. It is the key to a bright future. It is the secret of a long and healthy life. It is the most precious thing you have. It is the most valuable thing you own. It is the most important thing you care for. It is the most precious thing you cherish. It is the most valuable thing you treasure. It is the most important thing you protect. It is the most precious thing you guard. It is the most valuable thing you watch. It is the most important thing you love. It is the most precious thing you adore. It is the most valuable thing you cherish. It is the most important thing you treasure. It is the most precious thing you protect. It is the most valuable thing you guard. It is the most important thing you watch. It is the most precious thing you love. It is the most valuable thing you adore.

Invited to take interest. Sunday school session and class meeting at 11:45. Epworth League devotional service at 6:30; topic, "The Great Companion: How to Live With Him." Leaders, Arthur Carson, Floyd Eiting. Evening worship at 7:30; sermon topic, "The Naturalness of Gen. 3." Notes—Probationers over 12 years of age are requested to meet the pastor in the Sunday school room at 3 o'clock Sunday afternoon. Class meeting Tuesday evening at 7:30. Church located at Clinton Avenue and Liberty street. Rev. G. M. Cranston, pastor.

Livingston Street Lutheran Church head of East Chestnut street, Rev. F. T. Schroeder, pastor.—The annual mission festival will be held on Sunday, September 21. Services in German at 10:30. The Rev. Karl Kretzmann of New York City will preach. The members are requested to bring their envelopes to this service. A children's mission service will be held in the afternoon at 2:30. The children will re-unite their mission barrels in the evening at 7:30. Prof. Romoser, president of Concordia College, Bronxville, N. Y., will speak in English. Bible class at 9:30 a. m. SOME MOORE STREET PEACHES

They Grow Three to a Tree, and Measure 10 1/4 Inches in Circumference—J. H. Hines Plants Onions and Raises a Mammoth Tomato Vine.

Three of the largest peaches seen this season are growing on a tree in the yard of J. H. Hines of No. 55 Moore street. This is the first season that the tree has borne fruit, and the three peaches each measure 10 1/4 inches in circumference, and are of fine color and flavor.

This spring Mr. Hines purchased some onion seed which he planted and raised a fine crop of onions, and among the onion plants he noticed another plant which looked like a tomato plant. It was and it is a mammoth plant, too. It has spread over the ground and extends fully seven feet in every direction, while it bears fully a bushel of tomatoes. The greater number of the tomatoes are of large size, and tip the scales at a pound each.

The only way Mr. Hines accounts for the tomato plant in the onion bed is that there must have been some tomato seed in with the onion seed. He is saving the seed of some of the largest tomatoes from the vine for seed purposes.

MILTON.

Milton, Sept. 20.—A dance will be held in Woolsey's Hall on Friday evening, October 3rd, for the benefit of the Village Improvement League. It is planned to have the sidewalks laid through the village on October, and while a majority of the property owners are paying for the actual laying of the walks in front of their own property, there are a number of expenses that will have to be borne by the League. This dance is for a purpose that should be of interest to every resident of Milton and it is hoped that everyone will buy at least one ticket, even though the buyer should be unable to attend. Tickets are 75 cents each and may be purchased from Michael Conroy at the drug store.

Mrs. Mary Balkin of Warwick visited at George Hallock's and C. M. Woolsey's last week.

Mrs. George Allan and daughter, Eleanor, expect to leave for New York city on Saturday. Miss Allan is attending Columbia College.

daughter was born to Dr. and Thomas A. Lynch on Friday at St. Joseph's Hospital, Newburgh.

Mr. Spratt has returned home, been honorably discharged from the army.

Those from here who attended the new M. E. church in Milton on Sunday evening last were Rev. and Mrs. Blakeney, Mr. and Mrs. T. J. and Mrs. Murdell of Newburgh.

Mrs. Rispah DuBois, on her last, and called at C. S. Spratt's. Mrs. George Clarke's, the Misses Sarah and Anna.

Mrs. G. S. Clarke visited relatives in Yonkers last week.

Miss Edith Merritt visited relatives in Tarrytown.

Services in the Episcopal church will be held at 3 o'clock beginning next Sunday. On the second Sunday of each month the services will be held at 10 o'clock.

Tristram Coffin, who is ill with pneumonia, is at this writing somewhat better.

Mrs. Clifford Wood of Brooklyn is visiting at "Woodside," the home of Mr. and Mrs. F. C. Wood.

Miss Rachel Clarke, teacher of the primary room at District School No. 1, has been ill with tonsillitis for several days. Mrs. E. M. Wood filled her place as teacher.

Mr. and Mrs. E. M. Clarke, Sr. and baby son, of Colton, Cal., arrived at the home of E. M. Clarke, Jr., on Tuesday.

Mr. and Mrs. Randolph Hulst of Bayonne, N. J., visited their daughter and husband, Mr. and Mrs. E. M. Clarke, Jr., recently.

Frederick Davis is visiting his college friend, Russell Hallock.

On October 1st Kingston will give a welcome home to all in Ulster county, who were in the service of our country during the late war. A parade will be held at 11 a. m. and a banquet at 1 p. m. Submarines and other destroyers will be on exhibition during the afternoon at Kingston Point and a dance will be held in the evening. R. M. Rownd, Sr., would like the name of all those who will go from Milton so that he may arrange for transportation there and back and also send a list to Kingston of the number who will be present. This reception will be one of great interest and every man who either went to camp or served overseas is urged to go.

In connection with the harvest supper to be held at the Presbyterian church on September 26th, the mite boxes will be opened and their harvest added to the treasury. A musical program is being prepared and everyone is invited to be present.

The Needle Craft Society met last Thursday and made plans for purchasing a new furnace for the Presbyterian church.

On Friday last the W. C. T. U. met in the Presbyterian church. A report of the county convention held at Newburgh was read by Miss Mary Taber. The call to the state convention was read by Mrs. T. A. Supplis. Officers of departments for the coming year were appointed as follows: Sunday school, Mrs. F. C. Wood; evangelistic, Mrs. M. S. Grant; literature, Miss Caroline Scott; flower mission, Miss Rachel Clarke; soldiers and sailors, Mrs. E. M. Clarke; anti-slavery, Mrs. A. C. Jenkins; scientific temperance instruction, Mrs. R. M. Rownd; mother's meeting, Mrs. A. H. Clarke; household thrift, Mrs. W. H. Townsend; social meetings and Red Letters Days, Mrs. W. M. Lyons; Americanization, Mrs. W. M. Lyons; child welfare, Mrs. James Townsend; press work, Mrs. Edward Young. A very interesting paper

\$125 for Your Ideas!

12 Cash Prizes for Simple Suggestions

We are making a new nut butter that is different from other butter alternatives—better, because of a new process we have discovered.

We believe that everyone who knows all about our new product will want to try it. We know that everyone who tries it will like it.

Now, we want to know how best we may tell all the people who are interested—the housewives—the food buyers—the things they want to know about this new butter.

How would you do it? We are offering these prizes to find out.

First Prize \$50 Second Prize \$25 Ten Prizes of \$5 Each

A pound of GOODY Nut Butter will be delivered by your dealer—FREE—if your idea does not win a cash prize.

Everyone may try for these prizes. All you have to do is to send us a simple suggestion that will help us describe this new product so others will know something of its goodness—any idea that may occur to you—a recipe—a slogan—a new use for it, may win one of these prizes.

Before we put this new product on the market, we sent samples of it to a great many people so they could try it and give us their honest opinion of it. Everyone who tried it liked it. That's the reason we are so sure others who try it will like it. One little girl who tasted it for the first time said, "Goody, I love it," so we named it

Goody

NUT MARGARINE

(ASHBY PROCESS)

The Perfected Nut Butter—Free From All Preservatives

Best Or Your Money Back!

Made by a New, Exclusive Process

The Nut Margarine industry is new in the United States and, until our discovery, Nut Margarine was made by the same process used in making oleomargarine (from animal fats). Because the results of using the oleomargarine process to make nut butter were so undependable, we decided it was not good enough for us and set about developing a new process. We were successful. We called our new discovery the Ashby Process.

GOODY is different from other nut butters—better—because it is the only one made by this new process—The

Ashby Process—which enables us to make a dependable product.

Perhaps you have tried other nut margarine. Perhaps even you have used it for a while. You remember how pleased you were with the idea of nut margarine when you first heard of it.

GOODY is what you hoped other nut margarine would be—uniformly delicious and melts at the same temperature as creamery butter.

No Preservatives

GOODY is made from such pure ingredients by such a skillful, cleanly method that it does not need to be preserved.

The only purpose of a preservative in nut margarine is to cover up the carelessness or the ignorance of the manufacturer.

No Animal Fats

GOODY contains nothing but the white meat of the coconut, peanut oil, pasteurized milk and

outter salt. Can you imagine a more appetizing food?

You can depend upon GOODY. It is always good when it has been kept as butter ought to be kept.

GOODY "spreads" like butter, making it more economical as well as more satisfactory than other nut butters.

Food prices are high—people cannot afford to experiment—so, for your protection we guarantee GOODY—

Best—Or Your Money Back!

"Buy a pound package of GOODY from your dealer. Serve it on the table. Use it in your cooking. Try it in any way you please. Then, if you do not like GOODY as well as the choicest creamery butter you ever ate, your money will be refunded without a word."

Now we want your ideas about how best we may tell everyone else know these things about GOODY.

Remember—Cash prizes for the best ideas—a pound of GOODY Free if your idea does not win a cash prize!

Here's How You Can Enter the GOODY Idea Contest

Simply fill out the coupon and mail it to us. Then you are entered in the GOODY Idea Contest and can send us your ideas at any time before the close of the contest which will be November 15, 1919. But to insure having your name enrolled, please fill out the coupon and mail it today. When you do send your ideas, don't worry about the form or style—simply jot them down on paper and sign your name and address.

on the influence of the public library on the child, by Mrs. G. S. Clarke, the librarian of the S. H. H. Free Library, was read by Mrs. Young. The next meeting will be held a week later than usual at which time a report of state convention will be given.

Miss S. M. Clarke and Miss Bertha Baiden conducted a most interesting lesson in the Community House on Tuesday afternoon, the fourth in the home nursing course, under the direction of the Home Bureau. The bed and its care was demonstrated, the role of patient being personified by Mrs. Grover C. Ferguson, who proved a very good patient. Baiden of the patient, changing the bed with the patient in it was also demonstrated. It was all very interesting and instructive. A course in clothing will come later. Miss Baiden's account of work overseas was a very vivid one and also instructive. She told how the soldiers behaved over there and that no one could tell the story of their son's conduct. That the stories of hospital necessities were plenty and how much comfort the sweaters and socks were, the latter especially so as the boys

were cold. Sincere thanks are due to the child, by Mrs. G. S. Clarke, the librarian of the S. H. H. Free Library, was read by Mrs. Young.

Miss Lizzie Jenkins is moving into the West building on Main street.

Miss Anna Clarke has returned from visiting friends in New York city.

Mrs. David Fowler of New York city is visiting her mother, Mrs. James Skidmore.

Mrs. Walter R. Clarke is spending a few days in New York city with her sister, Miss Anna T. Birdsell, before the latter leaves for Japan, where she will act as secretary for the Y. W. C. A.

A daughter was born to Mr. and Mrs. Alice Vail on Wednesday morning at St. Luke's Hospital, Newburgh.

Mrs. Carolyn de L. Northrup, Miss Northrup, Mr. and Mrs. William R. O'Quinn and Clarence Medford moved to Hackensack, N. J., on Thursday in Mr. Northrup's car.

L. C. Tucker and Edward T. J. will go as delegates to the convention of the American Legion to be held in Kingston on Friday, September 26.

ATWOOD.

Atwood, Sept. 19.—Mrs. Fred Markle and Mrs. Lawrence Markle have returned to their home in Brooklyn after spending a two weeks vacation with their mother-in-law, Mrs. Celia Osterhout, of this place.

Mrs. David J. J. spent Saturday last with Mrs. Simon Balleis.

Misses Alice and Elsie Krom spent Monday past with Mrs. Celia Osterhout.

Stephen Bush had the misfortune to lose a valuable young cow.

Mrs. Barton Winchell of Tenkore visited her parents, Mr. and Mrs. Edward Quick, on day the past week.

James France of Jersey is spending a few days with friends and relatives in this place.

William Bush has returned to New York after spending a month's vacation with Mr. and Mrs. George Winchell.

Mrs. Gertrude Winchell and Mrs. Van Buren spent a few days with their sister and brother-in-law.

The City of
GOODRICH
Akron, Ohio

"Goodrich has The Tire"

The Summer of 1919 established this outstanding automobilizing fact, "Goodrich has THE TIRE."

Car owners and drivers everywhere are saying it, passing along the good news by word of mouth.

At the outset Goodrich knew it had the tire—knew it by knowledge of tire making—knew it by road-testing.

That's why Goodrich stepped forth last June with its revolutionary More-Mileage Adjustment, and certified Goodrich Tires at 6,000 Miles for Fabrics; and 8,000 Miles for Silvertown Cords.

Quality will make itself felt and known. The news of what a tire can do travels on fleet feet.

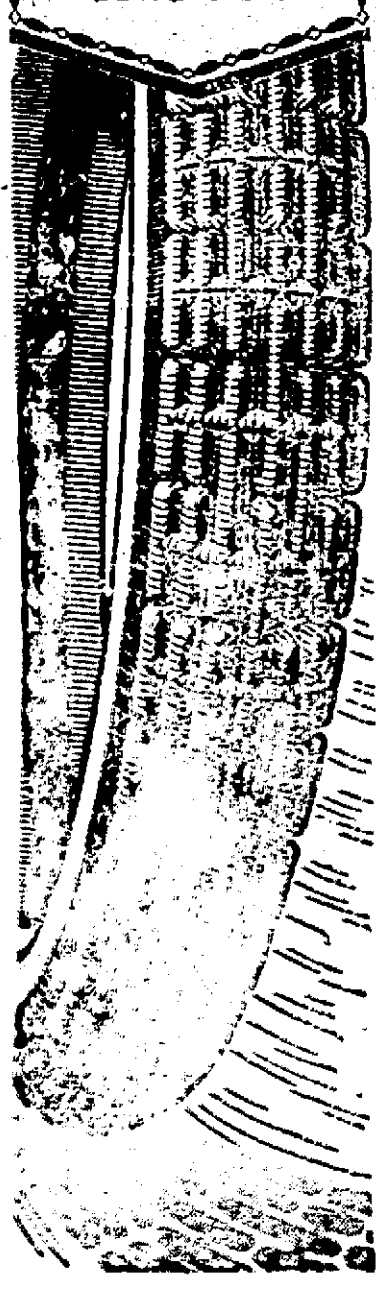

The performance of Goodrich Tires has made the Goodrich Certified Mileage, the peak standard for tire service; just as Goodrich list prices and Goodrich quality have always told tire users what tires to drive, and what to pay for them.

SHE APPROVES AMERICAN DANCE

France's final seal of approval was today set on American dances and American cigarettes by an old French woman who was four years a German prisoner. She is Mme. Constance Druze of the totally demolished village of Lizy in the Alsace.

In spite of the burden of 83 years that she carries and the fact that she has witnessed three wars—the revolution in 1848, the Franco-Prussian war of 1870 with all the horrors of the Commune, and the last great struggle of 1914-1918, she heartily approves of the one-step and the cigarette, in both of which she indulges. Mme. Druze says American dances are much more graceful than the French.

"In the French dances you just whirl around until you're too dizzy to stand up. You Americans glide more," she assured a member of the American Committee for Devastated France, which installed her in the one room barrack in which she is living. The casino taken over by the Y. M. C. A. for American soldiers at St. Malo was the first initiation the old peasant had in the American art of dancing. She tells the story as follows:

"I saw a great crowd of heads in a big building one day as I walked in the street in St. Malo, where I joined my son after the armistice. Some one is hurt, I must go and help," I thought. When I got there they asked me if I had a card to the ball, and, of course, I had none. But a fine American gentleman offered me his arm and escorted me into the casino and there—"

Mme. Druze refuses to admit that she danced.

"An old peasant like me," she exclaims deprecatingly.

But those who know the gameness with which she met four years of German rule, two of which she spent in her little home under the shadow of a shell-torn church, say she's too good a sport to miss a chance like that.

"The Barbara Frietschie of France," Mme. Druze is called among the women of the American Committee for Devastated France who know and care for her. When the Germans came to Laon in 1914 and occupied the nearby village of Lizy, she stuck to her home.

"The Germans asked me if I wasn't afraid," she says. "I assured them I was not, and after that they left me alone."

Mme. Druze now lives in a little wooden barrack. A stove, a bed and a chair, which she obtained from the American Committee for Devastated France, are her only furniture. A crucifix hangs on the wall. A bunch of scarlet poppies stands in the window. She has a tiny garden planted with seeds the American women gave her.

She typifies the courage to rebuild which is France's portion today.

Marchioness of Bute.

Cardiff Castle, the stately and imposing home of the Marchioness of Bute, in Wales, may soon become the home of the Prince of Wales, according to a report from London. Negotiations are now under way for the sale of the property. The building of the castle was first started in A. D. 1100. It had been added to from time to time until the late Marquis of Bute spent vast sums in equipping the ancient pile with every form of modern luxury and comfort.

Dougherty's Garden Robbed.

William O. Dougherty of No. 421 Hasbrouck avenue, has a fine garden in the rear of his home, and for the past few nights has been missing his pumpkins and sweet corn. The thieves are known and unless the thefts are stopped he will take the matter up with the police department.

Names Omitted.

Due to an error in the copy furnished The Freeman Friday the advertisement for the Fall Display did not carry the names of S. Baker & Son, house-furnishing, and Carl Miller & Son, 674 Broadway, electrical supplies.

**It Is Our
Daily
Task**

to consider and solve the printing problems for our customers, and each one we solve gives us just so much more experience to apply to the next one. This is what keeps us busy—this is why we are best equipped to do your printing in the way it should be done. Suppose you ask us to submit specimens and quote prices.

W. R. SCHWARK DROPPED DEAD

William R. Schwark of Port Ewen, an employee at the Hitebrant shipyard at Connelly, dropped dead late Friday afternoon. Death was due to heart failure. Mr. Schwark was on his way home from the shipyard, and when near his home fell to the ground. He was in his 49th year, and in survived by his wife and several children. The funeral will be held from the late residence Monday afternoon at 2:30 o'clock. Interment will be made in the Port Ewen cemetery. Mr. Schwark had been a resident of Port Ewen for a number of years, and was held in high esteem by all who knew him.

LOCAL DEATH RECORD.

Recent Deaths and Funerals of Persons in This Vicinity.

Miss Mary Thompson, for twenty years a teacher in the grade schools at Catskill, died Thursday after a short illness. She was born in New Hartford, N. Y. The funeral was held this morning.

The funeral of Andrew Weick, who was killed while at work Friday morning, will be held from the late residence, No. 15 Summer street, Monday afternoon at 1:30 o'clock from the late residence. Interment will be made in the family plot in Wiltwyck cemetery.

Edward O'Donnell, a former resident of this city, and a son of the late Thomas O'Donnell, died at his home in Newark, N. J., this morning. The funeral will be held Tuesday at the arrival of the West Shore train at 2:20 o'clock that afternoon. Interment will be made in the family plot in St. Mary's cemetery.

Mrs. Louise B. Tobey, wife of George E. Ryan, of No. 204 Tremper avenue, died Friday at Saugerties where she was visiting. The funeral and interment will be private. Friends wishing to view the remains may do so at the late residence on Tremper avenue Sunday afternoon, between 3 and 5 o'clock. Mrs. Ryan was a daughter of the late George F. Tobey of this city.

BROKERS' SHORTAGE \$900,000.

Bookkeeper Seeks to Exonerate Atwater at Trial.

The shortage of the Ponckhockie brokerage firm of Atwater, Foote & Sherill, which failed, totalled \$900,000. It was brought out Friday before Justice Tompkins in the supreme court at Carmel, when Morton Atwater, a partner, was on trial on an indictment charging grand larceny, hypothecating of customers' securities and doing business while insolvent. Norman Deyo, formerly a bookkeeper employed by the firm, offered testimony to show that Atwater was unaware of the transactions of his associates, Gilbert Foote and Harold Sherill, both of whom are now in Sing Sing prison. The case is being tried in Putnam county because the defense asserted that prejudice rendered a fair trial in Dutchess county impossible. The trial will be continued Monday.

PONCKHOCKIE EXCITED

Over Rumor That Chemical Works Would Occupy Turkey Hill.

The announcement of the fact that an out of town concern had obtained a thirty days' option on the Turkey Hill on the Strand in Ponckhockie, has caused considerable excitement in that section of the city as the rumor has spread that the concern is a chemical works that intends to locate there. The residents of that section of the city are averse to having a chemical works locate there as they believe it would prove a detriment to the residential property in Ponckhockie. There is talk of circulating a petition.

WHO WANTS A JOB?

Civil Service Board to Hold Examination for Water Inspector.

The recent resignation of A. Ray Powley from the water board has left a vacancy, and the board has asked the municipal service board for an eligible list from which to appoint a water inspector. The civil service board will call for an examination on October 10th to be held at the city hall. Those interested can get in touch with Secretary Taylor of the civil service board.

SATURDAY, SEPTEMBER 20, 1919

Sun rises, 6:44; sets, 7:03.
Weather, fair.

The Temperature.

The lowest point registered by the Freeman thermometer last night was 53 degrees. The highest point reached up until noon today was 75 degrees.

Weather Forecast.

Washington, Sept. 20.—Generally fair tonight and Sunday, moderate to fresh southerly winds.

POLICE ASK FOR ELIGIBLE LIST

The police board held the regular monthly meeting Friday evening at the city hall at which time the resignation of Policeman John K. Dunn was accepted. Officer Dunn is assigned to accept a job on Rice's board. The board decided to ask the civil service board for an eligible list from which to make an appointment to fill the vacancy on the force. This means that the civil service board will likely call for an examination to be held to make up such a list.

Requested of Pastors.

The pastors and priests of this city are asked tomorrow to give notice in their churches of the coming after-the-fun clinic which will be held on Friday of the coming week at the court house. The clinic will be held from 9 a. m. to 5 p. m. and will be entirely free with examination by some noted specialists. All persons who had the influenza last fall or who have any throat or lung difficulty or the suspicion of the same are cordially invited to attend this clinic.

HEADLINE HISTORY

WORLD WAR

Copyright 1919, New Era Features

WHAT HAPPENED SEPT. 20.

1914. Germans guns wreck Rheims, fire cathedral, Berlin regrets it. Allied armies gradually gaining in Alsace battle. Russians attack Jaroslaw and Pzemyśl.

1915. Vilna forces may yet escape. Russians in retreat are still fighting.

1916. Germans launch terrific counter-attacks against French near Comblies gain ground only to lose it. Bulgarian retreat continues. Rumanians check Germans in Dobruja. French regard Verdun drive ended by decoration of German Crown Prince.

1917. Haig attacks on 8 mile front at Ypres, pierces German lines over a mile taking two towns and 2,000 prisoners. Kerensky faces Bolshevik peril, Radical committees seize power in several provincial towns. Strike of New York longshoremen ended, threat to make New York a military port.

1918. Serbians extend their front, now 25 miles wide and 17 miles within old Bulgarian line. British take Meuse river seven miles from Cambrai after two days' battle, French continuing enveloping movement on St. Quentin. Germans in note to Austria expresses willingness to discuss peace.

1919. The fall millinery. Since the charm of the entire wardrobe depends so much upon the hat—its becomingness—its modishness—its harmoniousness—hats are very important when Autumn styles are being considered. Elegant simplicity is the key-note of the new Fall millinery. Beautiful combinations of velvet, satin and plush in small, medium and large shapes with trimmings of ostrich plumes, small tips, wings and fancy feathers.

Smart styles in ready to wear satin and crushed velvet shapes.

Fashionable Furs. Handsome furs, which defy winter's cold, while earning for their wearers a recognized superiority in the art of correct dress.

We advise you to make your selection at the earliest possible moment, as a matter of self protection and economy. For our Fall Display Week we are showing exceptional values in broad Fur Neck pieces, at.....

\$18.00, \$20.00, \$25.00 and \$45.00.

Blankets and Quilts. With the beginning of fall your thoughts naturally turn to comforts. Keep warm at night, avoid the ills of the chilly atmosphere. Our large stock of comforts are being offered at very moderate prices.

\$4.50, \$4.97 and \$5.97.

Blankets at \$2.97, \$3.97

\$4.97 and \$5.97.

Don't fail to come during Fall Display Week. We couldn't begin to tell you all the good things we have to show you.
